College Building possesses great architectural and heritage value. It was this aspect that led to recognition of the Main Campus Building as a “**Heritage Building**”. Additions were made time to time as per the needs of the stakeholders keeping intact the originality of the main building. The College takes pride in being a **differently-abled friendly campus** with new ramps to provide access to Library, Administrative Block, Class rooms, Staff room, Girls Common Room, Laboratories , etc. To ensure vigilance and security, CCTV have been installed at all important places in the campus.

MAINTENANCE OF PHYSICAL FACILITIES

The College has constituted various committees for maintenance of existing infrastructure facilities. These committees are constituted by the Principal in consultation with the Advisory Committee which consists of senior most 15% of the total faculty members and the Staff secretary. It is ensured that the Advisory Committee has representation of all the three streams- Arts, Commerce and Science.

DEPARTMENT ROOMS

The College has 17 Department rooms each allocated for a particular subject being taught in the college. Allocation of separate rooms to each Department makes it convenient for the students to contact their teachers for resolving their queries and doubts.

All the Department Rooms are well furnished. Department Room is used by the Head of the Department and the Department faculty for carrying out day to day activities of the Department. There is a Notice/Bulletin Board in each of the Department where the Schedule of extra -curricular activities, photos of activities organised by the Department, information regarding forthcoming Seminars, Conferences, workshops, etc. are displayed. There is a flex hanged on the wall of the Department Room which mentions the achievements of the students and faculty members. Most of the Department Rooms have sufficient number of lockers for use of faculty members. Each Department is equipped with Wi-Fi connected Desktop, air-coolers/ heaters and drinking water facility. Some of the Departments have their own Printers, Scanners, Laptops, LCD projectors, Screens and Department Library comprising of Books for reference purposes.

CLASSROOMS

Most of the classrooms have front Platforms to ensure better eye contact between the teacher and students. The classrooms have large blackboards / Green Blackboards, Podium, Fire Extinguishers and sufficient number of benches. Smart classrooms have Overhead Wi-Fi enabled LCD projectors with Roll-down screens cascading over the black or green boards.

The policy for allocation of classrooms ensures optimum utilisation of available resources. For the purpose of allocation of class rooms in a judicious manner, A Time Table committee is constituted by the principal in consultation with the Advisory committee. Time table committee consists of four senior faculty members from different streams and is responsible for judicious allocation of

DISCUSSION

The first part of the paper is devoted to a general discussion of the role of the teacher in the classroom. It is argued that the teacher should be seen as a professional who is responsible for the learning and development of his or her students.

The second part of the paper discusses the role of the teacher in the classroom. It is argued that the teacher should be seen as a professional who is responsible for the learning and development of his or her students. The paper also discusses the role of the teacher in the classroom. It is argued that the teacher should be seen as a professional who is responsible for the learning and development of his or her students.

classrooms keeping in mind the workload of the faculty members, size of the class room and strength of students in a particular class.

The classrooms, boards and furniture facilities are utilized regularly by the students but these are also made available to governmental and non-governmental organizations for conducting various exams, elections, etc. Smart classrooms are used judiciously as per the requirements of faculty members.

Duties for the cleanliness and maintenance of the classrooms are assigned to the non-teaching staff.

LABORATORIES

The college has well equipped Physics, Chemistry, Botany, Zoology, Bio-technology, Computer Science, Mathematics, Geography and Language laboratories. The Time table committee allocates these laboratories for conducting practical classes. The students are divided into batches for practical classes. The requirement for new equipments and consumable stores for different laboratories are submitted by the concerned Department Head to the Principal for his approval and all the equipments or consumables purchased are entered in the stock register maintained by the respective departments and signed by the Department head. Annual stock taking of the laboratories is done by the Custodial Departments with the assistance of the Lab staff. Lab staff is also responsible for the upkeep and maintenance of resources in the Laboratories. Any damage or theft of equipment, is brought to the notice of the authorities immediately.

COMPUTERS

The college has adequate number of the computers with internet connections and the utility soft wares located in Principal Office, Administrative office, laboratories, library, Departments, NSS and NCC rooms etc. All the stakeholders have equal opportunity to use these facilities as per the rules and the policies of the institution. The Administrative office computers which are connected through the
